HELPING COACHES HELP KIDS

Dear Athletic Director:

For 62 years the MBCA has provided numerous awards and recognition for boys and girls basketball players throughout the state. Our organization is committed to continuing these programs to help promote local student athletes in the sport of basketball. Eight years ago, we introduced our **Discount membership package of \$80.00 per school**. It has been a tremendous success as our **membership consistently includes around 500 members**.

We are quite pleased with that growth and again will offer this package for the 2024-25 season.

This fee covers membership for four coaches from the same school:

- Girls and Boys varsity coaches and one assistant coach from each staff.
- Additional coaches can be added at \$20.00 each if paid with this enrollment form.
We have enclosed a blank invoice for your use in processing your association membership through your business office.
- Fee of \$40.00 per coach will still be in effect for those not interested in this discounted package deal. Please use our new website at thembca.org to register online or print the registration form.

As in previous years, only MBCA member coaches and their players are eligible for our Recognition programs.

Annual Events sponsored by the MBCA include:

- Spring Breakfast at Holy Cross where we recognize our divisional All-Academic Team, All-Senior Team, and divisional and State Players of the year.
- Fall Banquet at Holy Cross where we recognize and honor our divisional Coaches of the Year, Victory Club awards for MIAA coaches who achieved coaching milestones, and Hall of Fame inductees. The 2024 banquet will be held on November 24.
- High School Coaches Clinic each Fall (part of the membership fee). Taking place on November 3 at Babson College, the 2024 clinic will feature Kathy Delaney-Smith (Harvard), Joe Jones (BU), Joey Flannery (Babson), and another coach to be announced.

With your involvement, we are looking forward to another terrific year supporting High School Basketball in Massachusetts. Thank you.

Steve Reno, MBCA President, and the MBCA Executive Board
