HELPING COACHES HELP KIDS

Dear Athletic Director:

For 64 years the MBCA has provided numerous awards and recognition for boys and girls basketball players throughout the state. Our organization is committed to continuing these programs to help promote local student athletes in the sport of basketball. Ten years ago, we introduced our **discount school membership package**. It has been a tremendous success as our membership has consistently included around 500 members. Last year, we expanded the program to include **six coaches per school for a moderate increase in cost**. This resulted in a membership **total of 620 coaches, thus allowing more coaches to attend our clinic and leading to more coaches and players being eligible for award recognition**.

Please remember that our membership year runs from July 1, 2026, to June 30, 2027.

This fee covers membership for six coaches from the same school and includes attendance at our annual clinic!

- Girls and Boys varsity coaches and two assistant coaches from each staff.
- Fee of \$45.00 per coach for those not interested in the discounted group membership. Please use our website at thembca.org to register online, or print the registration form and mail your payment.

As in previous years, only MBCA member coaches and their players are eligible for our Recognition programs.

Annual Events sponsored by the MBCA include:

- Spring Breakfast at Holy Cross where we recognize our divisional All-Academic Team, All-Senior Team, and divisional and State Players of the year.
- Fall Banquet at Holy Cross where we recognize and honor our divisional Coaches of the Year, Victory Club awards for MIAA coaches who achieved coaching milestones, and Hall of Fame inductees. The 2026 banquet will be held on November 22.
- High School Coaches Clinic each Fall (part of the membership fee). Taking place on October 25 at Franklin High School, the 2026 clinic will feature Missy Traversi (Merrimack), and others TBA. <https://thembca.org/event/2026-mbca-coaches-clinic/>

With your involvement, we are looking forward to another terrific year supporting High School Basketball in Massachusetts. Thank you.

Reggie Hobbs, MBCA President, and the MBCA Executive Board
